PETITION TO WITHDRAW HOLDING OF ABANDONMENT  
FOR FAILURE TO RECEIVE OFFICE ACTION

Dear Sir:

This communication is filed in response to the Notice of Abandonment mailed  
October 22, 2003 as Paper Number 8.

I am the Patent Agent having carriage over the subject patent application. On  
September 22, 2003, Examiner Chirag Shah contacted me by telephone advising  
that he had not received a response to the Office Action issued earlier this year. I  
advised Mr. Shah that, subsequent to the Applicant's response filed December 29,  
2002, I had not received any communication from the Examiner in respect of this  
file.

On September 23, 2003, Examiner Chirag Shah provided me with a copy of the aforesaid Office Action by facsimile. This copy stated that a reply was due to be filed within three months of the mailing date of the communication. However, this copy did not identify the mailing date of this Office Action. On September 30, 2003, Examiner Chirag Shah provided me with a copy of the front page of this Office Action by facsimile, identifying the original mailing date of this Office Action as February 12, 2003.

On October 30, 2003, I received the aforesaid Notice of Abandonment. The Notice stated that the subject patent application was abandoned for failure to file a proper reply to the Office Action mailed February 12, 2003. The Applicant hereby petitions for reinstatement of the subject patent application on the basis that the aforesaid Office Action was not received.

All correspondence concerning this patent application is directed to my attention. Since receiving the Notice of Abandonment dated October 22, 2003, I have reviewed the file jacket and all the docket record for this patent application. I did not locate any record of receipt of the aforesaid Office Action. Rather, I was only able to locate a record identifying receipt of the copy of the aforesaid Office Action, delivered to me by facsimile by the Examiner on September 23, 2003, more than four months after the due date set for responding to the aforesaid Office Action.

In support of these submissions, I have attached hereto a copy of the docket record for the subject patent application, for the three month period commencing February 12, 2003 (the apparent mailing date of the aforesaid Office Action) and ending May 12, 2003. This docket record identifies the file numbers and dates of receipt of all communications received by our firm in respect of all U.S. patent matters for which our firm has been retained. This docket record includes no entry revealing the receipt of any correspondence issued in respect of the subject patent application for

the three month period commencing February 12, 2003 and ending May 12, 2003. Accordingly, I submit that I did not receive the aforesaid Office Action during the pendency of the subject patent application.

In view of the foregoing, the Applicant petitions for reinstatement of the subject patent application on the basis that the aforesaid Office Action was not received during the pendency of the subject patent application. The Applicant also requests issuance of a new Office Action, and petitions that the due date set for responding to the new Office Action end three months after the date the new Office Action is mailed.

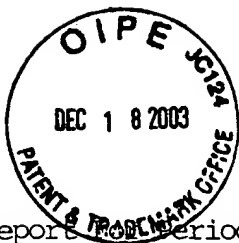

If any additional fees are required by the foregoing submissions, permission is hereby granted to debit our deposit account number 07-1750.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'R. J. Graham', with a stylized flourish at the end.

Robert J. Graham
